I just wanted to add that I find the Franklin electronic Bible convenient for two specific purposes. One is for doing Bible crossword puzzles (it saves a lot of page-rustling) and the other is for carrying in my shirt/jacket pocket (if I have large enough pockets) when I am sitting in a boat or walking in the woods, meditating. One drawback is that this model is not backlit so you do need some reasonable light.

The contents of this King James Bible must therefore have been altered since the earlier reviews which say it used to be PCE. This is exactly how so many other PCE KJV Bibles were altered as well. They keep the same product numbers yet change whats inside. Not good. This Bible is NOT Pure Cambridge Edition.
