Strangers from a Different Shore Summary SuperSummary

Strangers from a Different Shore looks primarily at Chinese, Japanese, and Korean immigrants. A central theme to the work is that, while many journeyed to the U.S. in the hopes of securing a better life, most didn't find it. Takaki reveals the discrimination and inequality these Asian Americans experience when they first journeyed to America, and how they feel about their identity now.

STRANGERS FROM A DIFFERENT SHORE English Edition eBook

I find this book dead accurate, and backed up very well (just look at the bibliography). I have found _Strangers From a Different Shore_ a great read and recommend this book to everyone. It might not provide the same experience as an Asian-American would have, but hopefully all can relate to it no matter what race.
