Victorian erotica Wikipedia

Victorian erotica is genre of sexual art and literature which emerged in the Victorian Era of 19th century Britain. Victorian erotica emerged as a product of a Victorian sexual culture. The Victorian era was characterised by paradox of rigid morality and anti-sensualism, but also by an obsession with sex.

Pleasure s Apprentice Erotic Fiction by Remittance Girl

Pleasure s Apprentice, as well as Virtue of Patience have what I look for in erotica: good buildup, characters who really want it, and release! This piece is skillfully written, and without drunken and foul-mouthed characters, which I find ugly and loathsome. Thanks for keeping some of your characters beautiful, smart, and juicy with lust, Remittance Girl.
